When my late grandfather founded RAYMOND WEIL in 1976, he dared to assert his independence and realized his own vision of Swiss watchmaking: highly qualitative, innovative, elegant and accessible. 38 years later, I feel very proud to take over the reins of the Brand and lead it to a successful future, setting the stamp of the third generation I am representing at the head of our Swiss family-owned and family-operated watch Company. It is my duty to keep my grandfather's vision alive and to maintain a sustainable growth. Today more than ever, our aim is to preserve this exceptional heritage, to ensure family succession and to guarantee stability and continuity.

This unique legacy does not only include the watchmaking know-how but also the deep passion for music which is part of the Brand's DNA but has also been our source of inspiration since the beginning. It continuously builds RAYMOND WEIL's backbone, influencing every new product development or marketing orientation and opening new horizons.

We invite you to go deep into RAYMOND WEIL's universe and open our music box. Let's celebrate musical and watchmaking creativity and continue to spread the Brand's musical notes all over the world!!

A handwritten signature in white ink, reading 'Elie Bernheim'.

Elie Bernheim

— CEO —

MUSIC BOX

From its early beginnings, RAYMOND WEIL has been imbued with a deep affinity for music. To further strengthen its commitment to the world of music, the Brand has the continuous pleasure of tying more and more partnerships with the music industry. RAYMOND WEIL supports young artists through live music platforms that help emerging talents all around the world. It also celebrates the very best within the music industry, by sponsoring the greatest musical shows and competitions. Thanks to its relationship with key established music players, RAYMOND WEIL creates exclusive limited edition timepieces with renowned artists, all proceeds being donated to a charity of their choice. In addition, the Brand is the official timing partner of some of the world's most iconic music venues.

RAYMOND WEIL has always been committed to noble causes dear to the family's heart. The Brand's heritage, steeped in a passion for music and the arts, lends itself naturally to partnerships with organizations that support the most vulnerable ones through the power of music.

The music that was yesterday's source of inspiration today becomes the vehicle of the values, know-how and enthusiasm of the music-loving watchmaker. Elie Bernheim, CEO, talks about "Music marketing", a concept that allows him to speak to both his partners and clients at the same time. The passion for music is a second inspiration, influencing every new product development or marketing orientation at RAYMOND WEIL.

A SWISS BRAND

RAYMOND WEIL brings together all the elements of excellence of the Swiss luxury watchmaking industry.

Precision, quality, reliability, nobility and the technical nature of the materials are among the many standards that the Geneva-based Brand combines with aestheticism and refinement in the creation of its models. Switzerland's centuries of carefully handed-down watchmaking skills and know-how are harnessed by RAYMOND WEIL and reflected in its choices and developments of materials, components and craftsmen in all the stages of production and assembly, to meet the prerequisites of the "Swiss made" label.

RAYMOND WEIL, an independent family-owned Company

The history of RAYMOND WEIL is first and foremost one of a family: that of its founder of the same name who, at the time of the creation of the Brand in 1976, dared to assert his independence and realized his own vision of Swiss watchmaking: highly qualitative, innovative, elegant and accessible. Later on, in 1982, his son-in-law Olivier Bernheim joined the Company, of which he was named President and CEO in 1996. His visionary, entrepreneurial spirit enabled the watchmaking Company to develop internationally in just a few decades.

Although RAYMOND WEIL experienced rapid expansion internationally, it still managed to preserve its human perspective, independence and family spirit. The arrival of the third generation in 2006 brought to the Brand a new approach to luxury and an interest in new technologies, continuing an exceptional heritage, ensuring the family succession and guaranteeing stability and continuity. In April 2014, Elie Bernheim, grandson of the founder, was appointed CEO, proudly taking over the reins from his father Olivier Bernheim and setting the stamp of the third generation at the head of the Swiss family-owned and family-operated watch Company.

The watchmaker continues to maintain relations of confidence and profound respect with its longstanding partners. It remains equally close to its clients, always paying attention to their expectations. In order to match these, RAYMOND WEIL has, in recent years, reinforced its lower-priced collections and also developed new, more sophisticated, mechanical models, which appeal to an ever-growing public of watch lovers.

While the know-how and the passion for watchmaking have been handed down from generation to generation within the RAYMOND WEIL family, so has the love of music! It is in this artistic universe composed of passionate stories and exceptional melodies that each member of the clan likes to plumb the depths of his inspiration with the creation of watch products. This is borne out by the names of the Brand's collections — taken from famous operas such as *nabucco* and *parsifal*, or with musical connotations, such as *maestro* or *jasmine* — and the various musical partnerships RAYMOND WEIL has with some of the most recognized concert halls, exclusive music award ceremonies, live music platforms and music-related charities.

Emotions, precision, performance: these are the values common to music and watchmaking that RAYMOND WEIL wishes to share with its clients.

LIMITED EDITION

Tribute to the founder Mr Raymond Weil

14845 GC5 65001 | ø 45mm - Automatic movement

To pay tribute to the Man and his legacy, RAYMOND WEIL created an exclusive limited edition of 100 pieces to honor the late founder of the Brand, Mr Raymond Weil. This exceptional watch is a 45mm COSC certified chronometer in 18K rose gold which features Raymond Weil's hand written signature on the dial. Mr Raymond Weil was definitely a pioneer in the watchmaking industry and left an invaluable heritage and a recognized Brand bearing its name. His independent mind and kindness will continue to inspire its family, the Brand, its team over the world and all of those who wear his watches every day.

Inspired by the mythical lyrical momentum of Giuseppe Verdi, *nabucco* emanates power and nobility of rare intensity. Dedicated to gentlemen with a strong personality, this prestigious collection, launched in 2007, exalts a very masculine and charismatic architecture, combining strength and audacity.

Titanium, carbon fibre, ceramic, steel, rose gold ... Precious materials and the precision mechanics of the mechanical chronograph self-winding movement, housed in a 46mm case, make *nabucco* a true representation of sophistication, reserved for a circle of connoisseurs enamored by handsome design and watchmaking precision.

freelancer's name recalls that the Swiss Brand is one of the last independent watchmaking companies.

This name also evokes the freedom of the artist, in front of an empty musical score.

Like the composer, it is with just as much passion, creativity and precision that the Swiss watchmaker has assembled the components of the collection.

Free of all constraints, *freelancer* has never stopped evolving since its creation in 2007, but always keeping its true character: having an urbane personality, with an elegant yet casual appearance, beveled horns and emblematic screws. The *freelancer* timepieces all feature a mechanical self-winding movement housed in a 29, 38, 42 or 45mm case, either for ladies or for gents.

“Maestro” means “master”, a person who excels in the practice of one’s art. In music, this word refers to the esteem commanded by a grand personality, composer or conductor. By giving this name to this collection – which comprises virtuosity, classicism, creativity, elegance and technical complications – RAYMOND WEIL is paying homage to those artists, who know how to synchronize the rhythms of tradition and innovation.

Entirely mechanical and available in 39.5 or 44mm, the *maestro* collection features some complications in the great Swiss watchmaking tradition. RAYMOND WEIL is offering men and women a true symphony of watches.

Moon Phase Complication

Moon Phase watches show the various phases of the moon which have always provided time with an orientation. The average period between two full moons is 29 days, 12 hours, 44 minutes and 2.9 seconds or about 29.53 days.

Moon phase displays were very much in fashion during the Renaissance on large astronomical clocks and then on pocket watches.

Although much less in use nowadays, this complication still fascinates, demonstrating the watchmaker's technical mastery and know-how.

Full-bodied, voluptuous and yet delicate, *jasmine*, the exclusively feminine collection of the Swiss watchmaking Brand, adorns itself in all its finery, blossoming like the most beautiful of flowers on ladies' wrists. Its name comes from Puccini's opera, *Turandot*, where the princess' splendor is associated with the jasmine flower.

Inspired by this oriental beauty, all in roundness and delicacy, the *jasmine* collection embodies delicate femininity and beauty. In the Brand's purest tradition, it combines all the elements of RAYMOND WEIL's feminine watches: diamonds, mother of pearl, steel and rose gold PVD plated steel. Whether in 29 or 35mm, the *jasmine* timepieces house an automatic or a quartz movement. In honor of this subtle beauty, the design of the flower is traced at the heart of the dial in guilloché.

The *noemia* collection pays tribute to the Brand's family dimension: it is a subtle reference to the first name of Mr Raymond Weil's granddaughter, Noémi. Like her brothers, Elie and Pierre, she has inherited his love of music. Etymologically, this name means "charm" or "grace", which describes this feminine collection perfectly.

With the delicate curves of its polished steel case and the flawless elegance of its refined dial, *noemia* radiates a dazzling charm and class. In perfect keeping with a lady's multifaceted personality, *noemia* shines in a thousand ways. With or without diamonds, the timepieces of the collection come in three different sizes 24, 27, or 32mm in diameter, all equipped with a quartz movement.

With its refined lines, *tango* masters the art of movement with precision. Appealing to both men and women, this collection offers harmony as perfect as that of a pair of Argentinean dancer. The models in this line combine vigor and sensuality, exuding distinction through their well-balanced proportions and signature bezel. The *tango* timepieces all feature a quartz movement and come in different sizes: 28, 39 or 40mm in diameter. Esthetic purity goes hand-in-hand with a clear requirement for functionality, particularly with respect to optimal readability. 蕾蒙威

1976年，当我的外祖父创立蕾蒙威之时，他豪情壮志地宣布品牌的独立性，并在瑞士制表行业中创立了独树一帜的自我风格：卓越的品质，创新的精神，优雅的设计和亲民的价格。38年后，我为能接掌这一品牌并带领它走向成功而感到自豪。作为第三代传人，他所代表的蕾蒙威在所有瑞士家族企业以及由家族独立运营的制表企业中名列前茅。我的使命是秉承我外祖父的远见卓识，并使品牌保持可持续发展。如今，我们的目标比以往更加明确，那就是坚定不移地传承品牌非凡的传统，确保家族的传承，保证家族事业平稳、持续地发展。

这一独特的传统中不仅包含着精湛的制表工艺，还包含着对音乐的无尽热爱。音乐不仅是蕾蒙威品牌精髓的一部分，而且自品牌创立伊始就一直是其灵感源泉。长久以来，音乐就是蕾蒙威的支柱，影响着每一款新作品的开发和营销方向，并不断为品牌开拓新的视野。

我们诚邀您深入蕾蒙威的世界，打开我们的音乐宝盒。让我们一起奏响音乐与制表工艺交融的创新乐章，继续向全世界传播蕾蒙威的动人音符！

Elie Bernheim,
蕾蒙威首席执行官

音乐宝盒

创立之初，蕾蒙威就与艺术结下了不解之缘。为了进一步恪守对音乐的承诺，蕾蒙威始终积极加强与音乐界的合作。蕾蒙威致力于对年轻艺术家的支持，通过和现场音乐平台的合作，鼎力帮助世界各地具有才华的乐坛新人。蕾蒙威还通过赞助最高水准的音乐演出和赛事，为乐坛最杰出的音乐人提供支持。由于品牌与音乐人建立的密切联系，蕾蒙威每年都会和知名艺术家一起推出限量版独家计时作品，所得收入都将捐给他们选择的慈善机构。此外，品牌还是全球多个标志性音乐场地的官方计时伙伴。

蕾蒙威家族始终坚持对慈善事业的支持与付出。品牌对音乐和艺术的热情引领其成为多个音乐组织的合作伙伴，通过音乐的力量支持和帮助弱势群体。

过去，音乐一直是蕾蒙威腕表创作的灵感之源，如今已成为品牌表达自我价值、技艺与激情的载体。首席执行官Elie Bernheim认为，可以同时针对合作伙伴和客户进行“音乐营销”。如今，对音乐的热情是蕾蒙威的第二大灵感，影响着品牌每一款新作品的开发和营销方向。

瑞士品牌

蕾蒙威腕表融合瑞士高级制表领域的工艺精粹于一身。

不仅注重精度、品质、可靠性能、高贵气质，以及所选材料的技术特性等多项指标，这个源自日内瓦的专业制表品牌更是在表款设计中巧妙地融入了美学思想与精湛工艺。蕾蒙威将数百年来瑞士傲视全球、世代相传的精湛制表技术与知识，用于物料选择和研发、各个制表和装配环节的组件和工艺，达到“瑞士制造”的要求。

蕾蒙威，一个独立的家族企业

蕾蒙威的历史首先是一个家族的历史：这家由蕾蒙威先生创立于1976年的同名公司，豪情壮志地宣布品牌的独立性，并在制表行业中创立了独树一帜的自我风格：卓越的品质，创新的精神，优雅的设计和亲民的价格。之后在1982年，蕾蒙威先生的女婿Oliver Bernheim加盟公司，并于1996年出任品牌全球总裁与首席执行官。他的远见卓识、企业家精神令这家瑞士制表公司在短短几十年内走向国际市场。

尽管这家源自日内瓦的家族制表企业在国际市场上迅速扩张，但它仍然在管理上坚持人文色彩、独立精神和家族传统。2006年，第三代继承人的加入给品牌带来全新的奢华推广方案以及最新科研技术的应用，延续了家族的传承，保证了家族事业的平衡、稳定和持续的发展。2014年4月，品牌创始人之孙

Elie Bernheim 被任命为首席执行官，他自豪地从父亲Olivier Bernheim手中接过指挥棒；作为第三代传人，他所代表的蕾蒙威在瑞士家族所有并由家族独立运营的制表企业中名列前茅。

该制表商继续维持与长期合作伙伴相互信任与尊重的关系。它与客户也保持着同样紧密的联系，始终关注他们的期望。因此，近年来蕾蒙威已加强价格较低的腕表系列，还开发出新型更复杂的机械表款，吸引了越来越多的腕表爱好者。

专业知识、制表激情以及对音乐的热爱在蕾蒙威家族内世代相传。在这个精彩传奇与卓凡旋律构筑的艺术殿堂里，家族的每位成员都期望发掘最深处的灵感，创造出非凡的腕表。品牌用 *nabucco* 和 *parsifal* 等取自著名歌剧，或 *maestro* 和 *jasmine* 等具有音乐内涵的词汇给系列命名。

情感、精确、性能：这是音乐与制表之间的共同价值观，也是蕾蒙威希望与顾客分享的精髓。
